

CASTS AND LOCATION BREAKDOWN

Casts: Generally, the starting pay of a supporting cast would be at \$15/hour. However, if they provide certain skills like dancing, fight choreography, the pay will definitely increase.

Location:

These are the costs of controlled locations where you get filming rights to the location after rental:

Restaurant/Café	\$50-\$150/hour
Outdoors setting (yacht, greenhouse, etc.)	\$50-\$300/hour
Apartment/room	\$50-\$160/hour
Kitchen	\$50-\$500/hour
Studio	\$60-\$150/hour

However, filming public locations in a wide scale (wide enough to disrupt normalcy in the location) has certain procedures, which is why a price tag cannot be put on outdoor areas properly.

1. Finding out the relevant authorities in charge of the location (usually a government authority).
2. Submission of Application Forms, coupled with project information, schedule of film project, details of the location, production crew, equipment (XI Productions will assist the filling up of these requirements if needed).
3. If needed, supporting documents may also be needed, like storyboard, scripts, etc. (XI Productions will also assist in this).
4. Payment of application fee.
5. Adhering of processing timeframe. Rule of thumb is to leave 3 weeks to 1 month for processing of application, depending on how big the project is.
6. Reviewing and compliance of guidelines and restrictions, like noise levels, co
